1) Project (Bidding) – Completed except the point that the user can make the project unqualified and save, are we checking that the project has enter in the next stages of bidding process?

2) Have we started taking UPPER CASE entries only?

3) Here even after editing estimated amount, EMD amount is not getting updated.

4) EMD amount is to be editable even if user select 2 percent or 1 percent.

5) EMD amount on Project Update is not saving even after putting the correct value.

6) Remarks column can be remove from EMD details (for now).

1) No need of giving Created Column.
